COLOUR THEORY

with Alvina Bishop-Edwards

11th & 18th May 2019 – 10am – 1pm

Learn the basics of colour theory to help you with mixing paint to create your artwork. This will help you see everything around you in a new way.

Learn how to understand colour, how to see colour, mix colour and use colour effectively. Understanding colour is the core to creating art.

Materials are provided for this one day workshop but if you wish to work on quality paper or canvas please provide your own. Students are to bring notebooks and lunch. Arc provides tea and coffee.

Bookings are essential as numbers are limited. NON MEMBERS $145 MEMBERS $130
